

Flying the Puget Sound During Airshow Season

Frank Sebastian organizes the Seafair Airshow every year and has a wealth of experience on how the Puget Sound airspace becomes congested in the summer months. Come and learn as you ask questions, increasing your ability to fly safely during the summer airshow season.

Directions: From Hwy 9, the Snohomish-Woodinville Hwy, go east on Airport Road and arrive at Snohomish Flying Services on the left. Meeting will be in the hangar just west of the cafe.

A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at www.FAASafety.gov!
